

SOP Extract

14. Destination Actions

The convoy commander and serial/march unit leader are responsible to ensure that all cargo arrives at its intended destination. After reaching the Release Point (RP) on the route, the convoy vehicles will proceed to destination points for offloading.

- Report to designated OIC/NCOIC for instructions.
- Release escort and security elements after area secured.
- Disperse vehicles for unloading or transfer of cargo to unit vehicles.
- Place camouflage as time permits.
- Provide 360-degree security if halted.
- Debrief drivers.
- Complete after-operations PMCS, to include refueling, if needed.
- Complete weapons and sensitive items inventory.
