

**Scenario:**

Your transportation unit has been tasked to haul supplies and equipment in the Richmond, VA area. You have been designated as a serial unit commander and the convoy commander has assigned you the task of completing the strip map for the convoy's move. The route will follow I-64 West to I-295 and then back onto I-64 West for the remainder of the movement. The start point will be at the junction of I-564 and I-64 and the release point at the junction of Route 817 and I-64. The convoy will make a rest halt at the rest stop located on I-295 between checkpoints 3 and 4. The checkpoints will be at the following locations:

- Checkpoint 1: Junction I-64 and US 17
- Checkpoint 2: Junction I-64 and Route 646
- Checkpoint 3: Junction of I-64 and I-295
- Checkpoint 4: Junction of I-295 and I-95
- Checkpoint 5: Junction of I-295 and I-64
- Checkpoint 6: Junction of I-64 and Route 617
