

APPENDIX A  
ACRONYMS

A-E	Architect-Engineer	CERCLA	Comprehensive Environmental Response Compensation Liability Act
AEI	Architectural and Engineering Instructions: Design Criteria	CES	Cost Estimating System
AERMP	Architect-Engineer Responsibility Management Program	Con Doc	Construction Documentation
AFM	Air Force Manual	CID	Comprehensive Interior Design
AFR	Air Force Regulation	CMU	Concrete Masonry Unit
AIC	Ampere Interrupting Capacity	Cos	Center of Standardization
ANSI	American National Standards Institute	CPM	Critical Path Method
ARMS	Automated Review Management System	CSI	Construction Specification Institute
ARAR	Applicable, Relevant, and Appropriate Requirements	DCIS	Design Criteria Information System
BCE	Base Civil Engineer	DEH	Director of Engineering and Housing
BCO	Biddability, Constructibility and Operability	DERP	Defense Environmental Restoration Program
MCACES	Microcomputer-Aided Cost Engineering System	DM	Design Memoranda
CADD	Computer - Aided Design and Drafting	EIRS	Engineering Improvement Recommendation System
CCB	Construction Criteria Base	EOR	Engineer of Record
CDAP	Chemical Data Acquisition Plan	ER	Engineer Regulation
CD-ROM	Compact Disc - Read Only Memory	ETL	Engineer Technical Letter
CEAGS	Corps of Engineers Abridged Guide Specifications	FDM	Feature Design Memorandum
CEGS	Corps of Engineers Guide Specifications	FIP	Federal Information Processing
		FOA	Field Operating Activity (obsolete term, with respect to USACE districts and MSCS)

GDM	General Design Memorandum	RFI	Radio Frequency Interference
HQUSACE	Headquarters, U.S. Army Corps of Engineers	RFP	Request for Proposal
HSDA	Health and Safety Design Analysis	SDM	Simplified Design Method
HTRW	Hazardous, Toxic, and Radioactive Waste	SHER	Safety, Health, and Emergency Response
HVAC	Heating, Ventilation and Air Conditioning	SSHP	Site Safety and Health Plan
IDS	Intrusion Detection System	SOP	Standard Operating Procedures
IPMP	Initial Project Management Plan	TCX	Technical Center of Expertise
MACOM	Major Command	TM	Technical Manager (or, Technical Manual)
MCX	Mandatory Center of Expertise	TAQ	Total Army Quality
MSC	Major Subordinate Command	TQM	Total Quality Management
NDT	Non-Destructive Testing	UBC	Uniform Building Code
NEC	National Electric Code	USACE	United States Army Corps of Engineers
NFPA	National Fire Protection Association	VE	Value Engineering
PARCC	Precision, Accuracy, Representativeness, Comparability, and Completeness	WBS	Work Breakdown Structure
PPE	Personal Protective Equipment		
PM	Project Manager		
PMP	Project Management Plan		
P&S	Plans and Specifications		
QMP	Quality Management Program		
QCP	Quality Control Plan		
RA	Remedial Action
