

CHAPTER 13 - RECREATION USE SURVEYS

13-1. Purpose. This chapter establishes the policy on the conduct of recreation use surveys at civil works water resource projects.

13-2. Policy. It is the policy of the Corps of Engineers that:

a. Recreation use surveys shall be conducted at water resource projects in order to maintain and report accurate visitation and public use information.

b. Recreation use surveys shall be funded, conducted, and analyzed in accordance with Chapter 13 of EP 1130-2-550.
