

ANNEX C
DIVISION LIAISON ASSIGNMENTS

C-1. COORDINATION. Division commanders, having jurisdiction within the same CONUSA area, Federal region or state listed below, shall closely coordinate COOP planning and execution activities. The initial points of contact designated are responsible to ensure that concerns and input from other USACE offices having common geographic jurisdiction are addressed or reflected in coordination with outside agencies. Conversely, all USACE offices within any given geographic area have a responsibility to provide their concerns and input to the designated USACE liaison in a timely and comprehensive manner in order that a unified USACE position can be presented by the designated office.

C-2. DIVISIONS LIAISON ASSIGNMENTS.
