Page 3, paragraph 1-7, Responsibilities. Add the following to subparagraph 1-7d(16).

EP 25-1-3 lists recurring reports imposed on USACE FOA by higher authority. Use ENG Form 490, Reports Control Record, and ENG Form 3483-R, Register of Recurring Reports, (App A), to list recurring reporting requirements for which the FOA is the proponent or preparing agency.

Page 5, paragraph 1-9, Policy. After subparagraph 1-9d, add subparagraphs 1-9e, 1-9f, and 1-9g.

e. Information collected for reporting purposes will be limited to that information which is clearly needed to facilitate decisionmaking, manage clearly defined projects or programs, improve productivity, reduce cost or prevent waste. (NOTE: include in block 16a, DA Form 335-R, how information collected will support one or more of the information collection objectives in this paragraph.) Other information management reporting requirements will not be approved.

f. Information management reporting requirements initiated at HQUSACE/OCE that require the collection of data from USACE FOA will be reviewed and approval requested by the directors, office chiefs or their deputies at HQUSACE/OCE prior to approval by the USACE Management Information Control Officer (MICO). If FOA Commanders have comments regarding problems or strong objections to reports initiated at HQUSACE/OCE, these comments should be addressed to the CDR HQUSACE (CEIM-PD), WASH, DC 20314-1000, with a copy marked for the attention of the DCG/DCE.

g. During the annual Information Collection Budget (ICB) process, HQUSACE/OCE proponents will review each public report to determine whether:

(1) The information collected exceeds the limits of reasonable or practical utility.

(2) The number of respondents, frequency of collection, or number and complexity of data elements is essential to the central purpose of the report.

(3) Consideration has been given to individuals, small businesses, and other organizations with limited financial management resources.
