BASIC COMMANDS****INSTRUCTIONS:**

This GTA card lists the basic commands you will use to guard and evacuate EPWs. Each of the 6 panels lists 13 commands or phrases in English, their translations in another language, and the phonetic pronunciations.

When giving these commands or phrases, speak loudly and clearly. Speak at a normal rate, and use gestures whenever possible.

The last panel is blank so you can write in any particular words or phrases that you need and that are not listed on this card.
