Section I. INTRODUCTION

1. SCOPE. This publication provides an overprinted DA Form 2062 (Hand Receipt) which lists the contents of Components of End Item (COEI), Basic Issue Items (BII), and Additional Authorization List (AAL) items related to the M911 series truck.
2. GENERAL.
 - a. Section II is the overprinted DA Form 2062 which lists the contents of COEI, BII, and AAL extracted from TM 9-2320-270-10. The listings consist of exactly the same items and are in the same sequence as those listings in TM 9-2320-270-10.
 - b. The overprinted DA Form 2062 will eliminate manual preparation of the form and will assist organizations in inventorying and accounting for property as required by AR 710-2.
 - c. Local reproduction of the overprinted DA Form 2062 is authorized. However, organizations shall comply with local policies in the reproduction of DA Form 2062 by office copying equipment, field printing plant, or duplicating plant facilities.
 - d. Additional copies of this publication may be requisitioned from the Commander, U.S. Army Adjutant General Publications Center, 2800 Eastern Blvd, Baltimore, MD 21220 in accordance with chapter 3, AR 310-2.

NOTE

The Accounting Requirements Code (ARC) refers to property accountability, not to disposal authority. Disposition action and authority for an un-serviceable item is governed by the recoverability code (5th position of the SMR code) assigned to the item in the RPSTL.

One of the following codes will apply:

- N for Nonexpendable: Items not consumed in use, retaining their identity during use, and requiring that accountability be maintained throughout the life of the item.
- D for Durable: Nonconsumable components of sets, kits, outfits and assemblages; all tools in FSC's 5110, 5120, 5130, 5133, 5136, 5140, 5180, 5210, 5220 and 5280; and any other nonconsumable with a price in excess of \$50.00 not already "N".
- X for Expendable: Items, regardless of type classification or price and which are consumed in use. Includes all class 9 repair parts. Items not consumed in use which cost \$50.00 or less and not already "N" or "D".
- (•) Stands for: Information not available.

l. SEC (Column d). The Physical Security/Pilferage code is entered here. This is a one position code which indicates the security classification or pilferage control for storage or transportation of assets. Order of precedence for assignment of codes is classified, sensitive, pilferable, unclassified, as applicable.
