## DESIGN FOR EMBROIDERY-PATTERNS.

Specification forming part of Design No. **8,461**, dated July 6, 1875; application filed June 26, 1875.  
[Term of Patent 3½ years.]

### CASE FF.

*To all whom it may concern:*

Be it known that I, EMIL CRISAND, of New Haven, in the county of New Haven and State of Connecticut, have invented a new Design for Embroidery-Pattern; and I do hereby declare the following, when taken in connection with the accompanying drawings and the letters of reference marked thereon, to be a full, clear, and exact description of the same, and which said drawings constitute part of this specification, and represent a face view.

This invention relates to a design for embroidery-pattern, with special reference to preparing perforated card-board, the object being to indicate clearly the pattern to be wrought; and it consists in the peculiar configuration of the letters and emblem shown in the ac-

companying illustration, and hereinafter described.

The motto which constitutes the chief feature of this design is "Peace, Be Still." This is arranged in a segmental line, and beneath it a representation of a rough sea. The form of the letters, and the waves constitute the essential feature of the design.

I claim—

The design for embroidery-pattern herein described, consisting of the motto "Peace, Be Still," in form as shown in the accompanying illustration.

EMIL CRISAND.
