UNITED STATES PATENT OFFICE

ALFRED HEALD, OF PHILADELPHIA, PENNSYLVANIA.

DESIGN FOR CARPETS.

Specification forming part of Design No. **8,566**, dated August 17, 1875; application filed August 7, 1875.
[Term of Patent 3½ years.]

CASE D'.

To all whom it may concern:

Be it known that I, ALFRED HEALD, of Philadelphia, Pennsylvania, have produced or invented a Design for a Carpet-Pattern, of which the following is a specification:

The accompanying photographic illustration represents sufficient of a carpet-pattern to illustrate my design, the remainder of the pattern being merely a repetition of that which appears.

The main feature of the design is the oblong figure A, the corners of which are formed into scrolls, and the interior of which is ornamented with a figure, *a*. At the sides and ends of the figure A is arranged line-work *b*, of a character clearly shown.

Between the corners of two adjacent figures, A, is arranged a group of flowers, leaves, and stems, *d*, and in the space thus inclosed is a

central figure, *e*, of a crosslet shape, from the edges of which project numbers of fine sprays, *f*.

Irrespective of the colors employed, I claim—

1. The design for the figure A, with its scroll-like corners, central ornament *a*, and line-work *b*, as shown and described.
2. The design for the whole pattern, including the figure A, group *d*, and figure *e*, as shown and described.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

ALFRED HEALD.

Witnesses:

HARRY SMITH,
HUBERT HOWSON.
