UNITED STATES PATENT OFFICE.

ALFRED HEALD, OF PHILADELPHIA, PENNSYLVANIA, ASSIGNOR TO HUGH McCALLUM, ORLANDO CREASE, ANDREW J. SLOAN, AND WILLIAM McCALLUM, OF SAME PLACE.

DESIGN FOR A CARPET.

Specification forming part of Design No. 8,587, dated August 31, 1875; application filed August 21, 1875.
[Term of Patent 3½ years.]

CASE F.

To all whom it may concern:

Be it known that I, ALFRED HEALD, of Philadelphia, Pennsylvania, have invented a Design for a Carpet-Pattern, of which the following is a specification:

The accompanying photographic illustration represents sufficient of a carpet-pattern to illustrate my design, the remainder being merely a repetition of that which appears.

The design has a central figure, A, surrounding which are four figures, B, the latter inclosing spaces in which are figures D. The figure A has a central foliated ornament, and is provided with a row of spots around its outer edge, which is indented at the corners and on each side, as shown. The figure B has a central ornament, *b*, and the space between this and the border is filled with leaves and stems.

The central portion of the figure D has arms which partly embrace octagonal figures *d*, arranged on four sides of the central ornament. The spaces between the various figures are provided with minor ornamentation of a character too clearly shown to need description.

Irrespective of the colors employed, I claim—

The design for a carpet-pattern, as described, and as illustrated in and by the accompanying drawing.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

ALFRED HEALD.
