UNITED STATES PATENT OFFICE.

ALFRED HEALD, OF PHILADELPHIA, PENNSYLVANIA, ASSIGNOR TO HUGH McCALLUM, ORLANDO GREASE, ANDREW J. SLOAN, AND WILLIAM McCALLUM, OF SAME PLACE.

DESIGN FOR A CARPET.

Specification forming part of Design No. 8,588, dated August 31, 1875; application filed August 21, 1875.
[Term of Patent 34 years.]

CASE G'.

To all whom it may concern:

Be it known that I, ALFRED HEALD, of Philadelphia, Pennsylvania, have invented a Design for a Carpet-Pattern, of which the following is a specification:

The accompanying photographic illustration represents sufficient of a carpet-pattern to illustrate my design, the remainder being merely a repetition of that which appears.

The main feature of the design is the figure A, which is in the form of a Greek cross. The body of the cross is composed of a checkered pattern, and in the center is a plain square portion, in which is arranged the central ornament *a*. Each end of the arms of the cross has a plain figure, *b*, forming a continuation of one of the corners of the central square.

The spaces between the figures A are occupied by strips composed of a series of small oblong ornaments connected together, and at each end of the strips are small circular ornaments *d*.

Irrespective of the colors employed, I claim—

The design for a carpet-pattern, as described, and as illustrated in and by the accompanying drawing.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

ALFRED HEALD.
