## DESIGN FOR CORNER-PIECE FOR PICTURE-FRAMES.

Specification forming part of Design No. 8,834, dated December 7, 1875; application filed November 1, 1875.  
[Term of Patent 3½ years.]

### CASE 2.

*To all whom it may concern:*

Be it known that I, CHARLES P. POINIER, of Boston, in the county of Suffolk and State of Massachusetts, have invented a Design for an Ornamental Corner-Piece for Picture-Frames, &c., of which the following is a specification:

The nature of my design is fully represented in the accompanying photographic illustration, to which reference is made.

My design is formed by the two carved leaves A A, shaped as shown, between which is the shell B, the whole constituting an ornamental design for a corner-piece for picture-

frames, as shown in the photographic illustration.

The ornament may be made of any suitable material, and of any color or combination of colors.

What I claim as my invention is—

The design for an ornamental corner-piece for picture-frames, composed of the leaves A A and shell B, substantially as described, and shown in the photographic illustration.

CHARLES P. POINIER.
