UNITED STATES PATENT OFFICE.

WILLIAM TWEEDDALE, OF BROOKLYN, NEW YORK, ASSIGNOR TO J. L. MOTT IRON-WORKS, OF NEW YORK CITY.

DESIGN FOR LAWN URINAL-CASE.

Specification forming part of Design No. **9,113**, dated February 29, 1876; application filed February 14, 1876. [Term of Patent 14 years.]

To all whom it may concern:

Be it known that I, WILLIAM TWEEDDALE, of Brooklyn, in the county of Kings and State of New York, have invented a new and original Design for Lawn Urinal-Case, of which the following is a specification:

The nature of my design is fully represented in the accompanying engraving, to which reference is made.

The design consists of the horizontal row of circular figures *a*, containing the star-shaped figures *b*, and having lateral connections *c* and vertical bars *d*, together with the figures *e* in the base-section A of the plate; also, the circles *f g*, center figure *h*, radial band *i*, middle corner figures *j*, marginal figures *l*, outer corner figures *m*, and the plain bars *n* of the upper and lower middle sections B of the plate, and also heart-shaped figures *o*, crosses *p*, figures *q*, and the leaf ornaments of the top section C of the plate.

Having thus described my invention, what I claim as new, and desire to secure by Letters Patent, is—

1. As a design for a lawn urinal-case, the circular figures *a*, stars *b*, lateral connections *c*, vertical bars *d*, and the figures *e* in the base-section A of the plate, substantially as specified.
2. The circles *f g*, center figure *h*, radial band *i*, middle corner figures *j*, marginal figures *l*, outer corner figures *m*, and the plain bars *n* in the upper and lower middle sections B of the plate, as shown.
3. The heart-shaped figures *o*, crosses *p*, figures *q*, and the leaf ornaments of the top section C of the plate, substantially as shown.

WILLIAM TWEEDDALE.
