Specimen of Little's
Sample in Design for a Font of Printing Type.

UNITED STATES PATENT OFFICE.

ANDREW LITTLE, OF NEW YORK, N. Y.

DESIGN FOR A FONT OF PRINTING-TYPES.

Specification forming part of Design No. **9,122**, dated March 7, 1876; application filed February 7, 1876.
[Term of Patent 7 years.]

To all whom it may concern:

Be it known that I, ANDREW LITTLE, of the city, county, and State of New York, have invented and originated a new Design for a Font of Printing-Types, of which the following is a specification:

The nature of my design is clearly shown in the accompanying typographic impression, to which reference is made; and consists of a text letter, the body of which is opened and

rayed, as shown, provided with the curved terminations, when they can be employed to advantage.

What I claim as new is—

The design for a font of printing-types, as shown.

ANDREW LITTLE.

In presence of—

A. SIDNEY DOANE,
R. M. MATTESON.
