# UNITED STATES PATENT OFFICE.

LEONARD S. BEALS, OF ASTORIA, NEW YORK.

## DESIGN FOR A BREASTPIN.

Specification forming part of Design No. **9,157**, dated March 21, 1876; application filed March 3, 1876.  
[Term of Patent 3½ years.]

*To all whom it may concern:*

Be it known that I, LEONARD S. BEALS, of Astoria, in the county of Queens and State of New York, have originated a new Design for Breastpins, of which the following is a full, clear, and exact description, reference being had to the accompanying drawing, making a part of this specification.

The drawing represents a face view of my design.

This design consists in a cluster of forget-me-nots supported by a cushion of leaves.

In the drawing, the letter A designates my breastpin, which is ornamented by a cluster,

*a*, of forget-me-nots, resting upon a cushion, *b*, of leaves.

What I claim as new, and desire to secure by Letters Patent, is—

The design for a breastpin, consisting of a cluster, *a*, of forget-me-nots, and a cushion, *b*, of leaves, as shown and described.

In testimony that I claim the foregoing I have hereunto set my hand and seal this 18th day of February, 1876.

LEONARD S. BEALS. [L. S.]
