# UNITED STATES PATENT OFFICE.

CONRAD HARRIS AND EDWARD KUMMER, OF CINCINNATI, OHIO, ASSIGNORS  
TO C. HARRIS & SON, OF SAME PLACE.

## DESIGN FOR COOKING-STOVE.

Specification forming part of Design No. 9,227, dated April 18, 1876; application filed March 19, 1874.  
[Term of Patent 7 years.]

*To all whom it may concern:*

Be it known that we, CONRAD HARRIS and EDWARD KUMMER, both of Cincinnati, in the county of Hamilton and State of Ohio, have invented a new and useful Design for a Parlor Cooking-Stove, of which the following is a full, clear, and exact description, reference being had to the accompanying photographic illustration, making part of this specification.

The nature of our design is fully represented in the accompanying photographic illustration, to which reference is made.

The surface of the cover A has a fretted or lattice-work ornamentation, *a*. The large oven-doors B have a scroll ornament, *b*, while the smaller doors are ornamented as at *c*. The moldings *b'* and *c'* of the respective doors

have the novel and pleasing massive forms shown. The legs C are curved and ornamented at the front, as at *d*.

What we claim as our invention is—

1. The design for the stove-top provided with ornamentation *a*, substantially as shown and described.
2. The design composed of the ornaments *b* and *b'* for the doors of cooking-stoves, substantially as shown and described.
3. The design for the legs of stoves shown and described.

CONRAD HARRIS.  
EDWARD KUMMER.
