[Term of Patent 7 years.]

*To all whom it may concern:*

Be it known that I, EDWARD CALLELY, of the city of Philadelphia, State of Pennsylvania, have invented or produced a Design for a Cooking Range or Stove, of which the following is a specification:

My design is for a cooking range or stove, and is fully set forth and shown in the accompanying photographic illustration, to which reference is made.

A represents the top; B, the front; C, the end or side; D, the base; E E', the oven-doors; F, the charging-door; G, the ash-pit door; H H', openings for pipe to water-back;

I, draft-slide; J J' J'', registers to the oven and ash-pit doors.

What I claim as my invention is—

A design for a cooking range or stove, substantially as described, and as illustrated in and by the accompanying drawings.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

EDWARD CALLELY.
