UNITED STATES PATENT OFFICE.

HERMAN IHLENBURG, OF PHILADELPHIA, PENNSYLVANIA, ASSIGNOR TO
MACKELLAR, SMITHS & JORDAN, OF SAME PLACE.

DESIGN FOR A FONT OF PRINTING-TYPES.

Specification forming part of Design No. **9,399**, dated July 18, 1876; application filed May 23, 1876.
[Term of Patent 14 years.]

To all whom it may concern:

Be it known that I, HERMAN IHLENBURG, (assignor to MACKELLAR, SMITHS & JORDAN,) of the city and county of Philadelphia, Pennsylvania, have invented and produced a new and original Design for a Font of Printing-Types, of which the following is a specification:

The nature of my design is clearly shown in the accompanying typographic impression, to which reference is made; and consists of a

letter formed with a heavy condensed stem, and shaded by light lines at the bottom and right side of the letter.

Having now described my design, what I claim as new is—

The design for a font of printing-types, as shown and described.

HERMAN IHLENBURG.

In presence of—

C. F. HUCH,

JAMES G. BERKHEIMER.
