UNITED STATES PATENT OFFICE.

GEORG BOCKSTALLER AND JULIUS STEINER, OF ST. LOUIS, MISSOURI.

DESIGN FOR AN UMBRELLA.

Specification forming part of Design No. **9,437**, dated August 15, 1876; application filed July 25, 1876.

[Term of Patent 7 years.]

To all whom it may concern:

Be it known that we, GEORG BOCKSTALLER and JULIUS STEINER, of the city and county of St. Louis, and State of Missouri, have originated a new Design for Vehicle-Umbrellas, of which the following is a full, clear, and exact description, reference being had to the accompanying photographic illustration, making part of this specification.

The nature of my design is fully represented in the accompanying photographic illustration, to which reference is made.

a represents the covering of the umbrella, which is supported on ribs *b*. These ribs are eight in number, and are so arranged as to

form an irregular octagonal or eight-sided umbrella-top. Four of these sides are made wide, and four narrow, so as to give to the umbrella-top an irregular octagonal shape, indicated by the photographic illustration hereto annexed.

What we claim as our invention is—

The design for an umbrella-top having the irregular octagon form, as described, and shown in the accompanying illustration.

GEORG BOCKSTALLER.
JULIUS STEINER.
