

D 9715

UNITED STATES PATENT OFFICE

WATSON SANFORD, OF BROOKLYN, AND GEORGE D. SANFORD, OF PEEKSKILL, NEW YORK.

DESIGN FOR A STOVE.

Specification forming part of Design No. 9,715, dated January 23, 1877; application filed October 14, 1876. [Term of Patent 7 years.]

To all whom it may concern:

Be it known that we, WATSON SANFORD, of Brooklyn, in the county of Kings and State of New York, and GEORGE D. SANFORD, of Peekskill, in the county of Westchester and State of New York, have originated and designed a Pattern for Stoves, of which the following is a full, clear, and exact description, reference being had to the accompanying photographic illustration, making part of this specification, in which the nature of our design is fully represented.

The present design consists, first, in the swell-front doors, and lines, in imitation of plain molding, contained on the edges thereof, and ornamental border on said doors, surrounding the above, (marked on the photograph *a* and *b*;) second, in the ornamental border on the side of the stove, immediately below the top plate, (marked *c* on the photograph;) third, in the flat vertical corners of the stove-front, with the ornamental lines thereon, (marked *d* on the photograph;) fourth, in the sectional octagonal projections on the stove-front, immediately below the ash-pit door, (marked *e* on the photograph;) fifth, in the swell-front panel, and ornamental border surrounding the same, immediately below the

hearth-piece, (marked *f* on the photograph;) sixth, in the hearth ornamental base and corner thereon, (marked *g* on the photograph;) seventh, in the word "Banquet," on one or more of the doors of the stove.

We claim—

1. The design of stove-door consisting of a swell front, with molding on the edges and ornamental border surrounding same, (marked *a* and *b*.)
2. The design of stove-front consisting of ornamental border *c*, immediately below the top plate.
3. The design of corners *d* of the stove-front.
4. The design of stove-front consisting of projections *e*, immediately below the ash-pit door.
5. The design of panel *f*, immediately below the hearth-plate.
6. The hearth, ornamental base, and corner thereto, *g g g*.
7. The design of the word "Banquet" on the oven-door, as shown.

WATSON SANFORD.
