UNITED STATES PATENT OFFICE.

THOMAS WORSLEY, OF PHILADELPHIA, PENNSYLVANIA.

DESIGN FOR CAKE OF SOAP.

Specification forming part of Design No. **9,717,** dated January 23, 1877; application filed January 10, 1877.
[Term of Patent 3¼ years.]

To all whom it may concern:

Be it known that I, THOMAS WORSLEY, of Philadelphia, Penusylvania, have invented a new and original Design for a Cake of Soap, of which the following is a specification:

The nature of my design is fully represented in the accompanying perspective drawing, in which A and A′ represent two united disks, the thickness of which may be varied without departing from the main characteristics of my design.

Any desired ornaments may be imparted to the cake by embossing or otherwise.

What I claim is—

The design for a cake of soap, consisting of two united disks, as set forth.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

THOMAS WORSLEY.
