UNITED STATES PATENT OFFICE.

CHRISTOPHER DRESSER, OF LONDON, ENGLAND, ASSIGNOR TO WILSON & FENIMORES, OF PHILADELPHIA, PENNSYLVANIA.

DESIGN FOR WALL-PAPER.

Specification forming part of Design No. 9,985, dated May 15, 1877; application filed March 17, 1877.
[Term of Patent 3½ years.]

To all whom it may concern:

Be it known that I, CHRISTOPHER DRESSER, of London, England, have originated and designed a Pattern for Wall and other Papers, of which I hereby declare the following to be a specification:

The nature of my design is fully shown in the accompanying photographic illustration, which forms a part of this specification.

My design consists of checker-board pattern, the block-spaces A A B B being separated from each other by dividing-stripes C; the spaces diagonally opposite—as A A and B B—being respectively decorated with geometric bordering designs D, set diagonally, and with grotesque floral patterns E.

What I claim as my invention, and desire to secure by Letters Patent of the United States, is—

The design for a wall-paper, composed of the block-spaces A B, decorated as described, and divided by the stripes C, substantially as described and shown.

In testimony that I claim as my invention the design hereinbefore described I have hereunto signed my name in the presence of two subscribing witnesses.

CHRISTOPHER DRESSER.
