UNITED STATES PATENT OFFICE.

TIMOTHY E. HOPKINS, OF WEST FITCHBURG, MASSACHUSETTS.

DESIGN FOR CASSIMERE.

Specification forming part of Design No. **10,386**, dated January 1, 1878; application filed December 18, 1877.
[Term of Patent $3\frac{1}{2}$ years.]

To all whom it may concern:

Be it known that I, T. E. HOPKINS, of West Fitchburg, in the county of Worcester and State of Massachusetts, have originated and designed a Pattern in Cassimere; and I do hereby declare that the following is a full, clear, and exact description thereof, reference being had to the accompanying photographs, which form a part of this specification.

A represents a narrow stripe, composed of small bars running weftwise, which stripe the pattern lengthwise. B represents a narrow stripe, composed of raised figures, interlacing as a chain, and as in part striping the pattern lengthwise. C represents two nar-

row stripes, of similar character, immediately adjacent to and on each side of stripe A, composed of small bars running diagonally, which also stripe the pattern lengthwise.

I claim as my invention—

The design as above described, and shown by the accompanying photograph.

In testimony that I claim the foregoing as my own I have hereto affixed my signature in presence of two witnesses.

TIMOTHY E. HOPKINS.
