# UNITED STATES PATENT OFFICE.

JAMES HUTCHISON, OF NEWARK, NEW JERSEY, ASSIGNOR TO THOMAS  
POTTER, SONS & CO., OF PHILADELPHIA, PENNSYLVANIA.

## DESIGN FOR OIL-CLOTHS.

Specification forming part of Design No. **10,516**, dated March 12, 1878; application filed February 25, 1878.  
[Term of patent 3½ years.]

*To all whom it may concern:*

Be it known that I, JAMES HUTCHISON, of Newark, New Jersey, have originated and designed a Pattern for Oil-Cloths, of which I hereby declare the following to be a specification.

The nature of my design is fully shown in the accompanying photographic illustration, which forms a part of this specification.

My design consists, substantially, of a succession of squares, A, divided by bands B, which bands, centrally of the length of the side of each square, divide to form smaller squares C, arranged diagonally in respect to the sides of the squares A. The squares A inclose smaller squares D, composed of grotesque leaf-tracery, which squares D contain serrated squares E, the corners of which join corners of the small squares C. The squares E contain diagonally-placed squares F, the corners of which latter join the apices of the

serrations of the squares E. The squares E F are ornamented by geometric figures.

I claim as my invention and desire to secure by Letters Patent of the United States—

The design for oil-cloths, consisting, substantially, of a series of squares, A, divided by bands B, which, in turn, divide to form diagonally-placed squares C, the squares A containing other squares, D E F, the whole arranged as shown and described.

In testimony that I claim as my invention the design hereinbefore described I have hereunto signed my name this 5th day of February, 1878, in the presence of the subscribing witnesses.

JAMES HUTCHISON.
