THOMAS E. PENNELL.

UNITED STATES PATENT OFFICE.

THOMAS E. PENNELL, OF BROOKLYN, NEW YORK, ASSIGNOR TO THOMAS POTTER, SONS & CO., OF PHILADELPHIA, PENNSYLVANIA.

DESIGN FOR OIL-CLOTHS.

Specification forming part of Design No. **10,527**, dated March 12, 1878; application filed February 25, 1878.
[Term of patent $3\frac{1}{4}$ years.]

To all whom it may concern:

Be it known that I, THOMAS E. PENNELL, of Brooklyn, New York, have originated and designed a Pattern for Oil-Cloths, of which I hereby declare the following to be a specification.

The nature of my design is fully shown in the accompanying photographic illustration, which forms a part of this specification.

My design consists, substantially, of a series of octagonal figures, A, arranged in regular succession in lines at right angles to each other. Within a bordering these octagons inclose a bunch of leaves and flowers, B. A series of squares, C, is placed at the intersections of the octagons, in such manner as to overlap, spaces of groundwork D being allowed to appear between the squares and octagons. The squares are centrally ornamented with radiating geometric figures E.

I claim as my invention and desire to secure by Letters Patent of the United States—

The design for oil-cloths, consisting substantially of a series of octagonal figures, A, inclosing flowers B, and of a series of squares, C, at the intersections of and overlapping the octagons, spaces of groundwork D being left between, the whole arranged as shown and described.

In testimony that I claim as my invention the design hereinbefore described I have hereunto signed my name this 4th day of February, 1878.

THOMAS E. PENNELL.
