UNITED STATES PATENT OFFICE.

WILLIAM McCALLUM, OF YONKERS, NEW YORK, ASSIGNOR TO THE BIGELOW
CARPET COMPANY, OF CLINTON, MASSACHUSETTS.

DESIGN FOR CARPET.

Specification forming part of Design No. **10,888**, dated October 29, 1878; application filed September 19, 1878.
[Term of patent 3½ years.]

To all whom it may concern:

Be it known that I, WILLIAM McCALLUM, of Yonkers, in the county of Westchester and State of New York, have invented a new and original Design for a Carpet, of which the following is a specification:

The photographic illustration represents a face view of my newly-designed carpet, and the border for the same.

This invention relates to a new and original design for a carpet, oil-cloth, or similar fabric; and consists of the new arrangement and ornamentation of figures hereinafter pointed out.

In the photographic illustration, the letter A represents the carpet; B, its border. The carpet A contains on a background, that is ornamented by and composed of a multitude of geometrical figures, the representation of peacock-feathers *a* and of several balls, *b*, as shown. The balls *b* are embellished respect-

ively, by two, four, and five smaller circles, arranged around their peripheries. The carpet is further decorated by ellipses *c*, branches and leaves *d*, and several arbitrary figures, as shown. The border B contains between two broad strips, *e e*, peacock-feathers *a* and balls *b*, similar to and corresponding with the design of the carpet A. The outer strip of the border contains also a series of overlapping and opposed semicircles, as shown.

I claim—

1. The design for a carpet, having feathers *a* and balls *b*, which balls are embellished by smaller circles, substantially as shown.
2. The design for a carpet, having feathers *a*, balls *b*, ellipses *c*, and branches and leaves *d*, substantially as shown.

WILLIAM McCALLUM.
