No. 11,046

UNITED STATES PATENT OFFICE.

ALFRED HEALD, OF PHILADELPHIA, PA., ASSIGNOR TO HUGH McCALLUM,
ORLANDO CREASE, AND ANDREW J. SLOAN, OF SAME PLACE.

DESIGN FOR CARPET-PATTERN.

Specification forming part of Design No. **11,046**, dated March 4, 1879; application filed January 18, 1879.
[Term of patent 3½ years.]

To all whom it may concern:

Be it known that I, ALFRED HEALD, of Philadelphia, Pennsylvania, have produced or invented a new and original Design for a Carpet-Pattern, of which the following is a specification:

My design for a carpet-pattern is fully shown in the accompanying photographic illustration.

The design consists, essentially, of two square figures, A and B, arranged in respect to each other as shown. The figure A has a center or body, with floral ornamentation comprising stems, leaves, and flowers, and is surrounded by a border, *a*, which is broken away at opposite corners of the figure for the introduction of rosettes *b*.

The prominent features in the ornamentation of the figure B are a circle, *d*, and crescent *e*, so arranged as to present the appearance of one circle overlapping another. Both circle and crescent are ornamented with stems and leaves, arranged as shown. Opposite cor-

ners of the figure B are occupied by segmental figures *f*, also ornamented with stems and leaves. The groundwork of the figure B is too clearly shown to need description.

Irrespective of the colors employed, I claim—

1. The design for a carpet-pattern, comprising the floral center, the border *a*, and rosettes *b*, as shown and described.

2. The design for a carpet-pattern, comprising the circle *d* and crescent *e*, as shown and described.

3. The design for a carpet-pattern, comprising the figures A and B, as shown and described.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

ALFRED HEALD.
