The situation along all fronts remains essentially unchanged. -Enemy crossings of the Naktong River in the Twenty-Fourth Division zone of responsibility are being contained and gradually reduced. However, the enemy retains the capability of effecting further crossings while maintaining pressure on other fronts. Riements of the US First Marine Provisional Brigade and of the Twenty-Fifth Division began a limited counter-offensive in the Chinju-Masan region. Carrier strikes and coastal bombardment by UN fleet units continued. Fifty B-29s staged a heavy attack on the Pyongyang reilroad marshelling yards.

Sector Reports

In the southern sector, limited gains were made by elements of the First Provisional Marine Brigade and Twenty-Fifth Division. The enemy, however, continues to exert heavy pressure and has an estimated two divisions in reserve. In the Twenty-Fourth Division zone of responsibility, an enemy bridgehead across the Maktong..... River maintained by two energy battalions is being contained and reduced. Attempts to effect other crossings are in progress.

In the central sector, held by the US First Cavalry (Infantry) Division and elements of the BOK II Corps, enemy activity has been limited to minor river crossing attempts. A sizeable enemy force remains relatively inactive in this zone.

In the ROK-defended northern sector, heavy pressure continues ... to be exerted by units of the enemy's Seventh and Eighth Divisions
