	North Korean and Chinese
	Communist officers believed that
the r	ecent "withdrawal" of their forces was part of a
	cal plan. If UN forces applied pressure, a with-
	al as far as the 38th Parallel was anticipated. The
	cements and equipment from stockpiles north of the
	River would be received, and at an unspecified time
	6 February an all-out counter-attack, referred to
	e "third phase of the war," would take place.
ab III	e unit u phase of the war, would take place.
