TOP SECRET

(c) Two Soviet anti-aircraft antillery regiments of the 18th Division arrived in Dairen at the end of July and will be transferred to Antung and Mukden;

(d) The GCAF in Manchuria has been building up for action in Korea and for invasion of Japan "in the event of a third world war";

and
(e) Poeng Teh-huai has been replaced as Chinese Communist commanding officer in Korea by Nieh Jung-chen.

Comment:	
that one million new troops are "pouring" into Korea is a false. There is no confirmation of the arrival of Soviet	divisions at
Mukden and no new Soviet ground units are known to have a an imminent Sino-Soviet operation ag not supported by the bulk of available evidence. Pyongya	ainst Japan are
fied Pieng Teh-huai as in command in Korea on 23 August; is believed to be in Peiping.
