If we intend to have an international anthrax conference in 2001, the contract needs to be signed!! (b) (6)
I believe that you have the contract. Can we please get this taken care of before the whole thing falls through, and we owe the ASM for a conference that they worked on?

(b) (6) I can't sign it until the Army comes to a final agreement with ASM.
(W)ould you please extend that deadline another six weeks? I know its a lot to ask, but the agreement must make its way up the ranks at Ft. Detrick.

I am copying our contact there, Bruce Ivins, to let him know that you are awaiting word. Thanks for your patience.
