**ACTION REQUIRED**  
 To obtain formal ACSI approval for Termination of subject ICIP.

**MEMORANDUM FOR RECORD.** (Describe briefly the requirement, background and action taken or recommended. Must be sufficiently detailed to identify the action without recourse to other sources.)

1. Background:

- a. Subject ICIP was established several years ago to support Army organizations at Fort Ritchie, MD.
- b. In Sep 75, the reorganization and redesignation of the US Army Communications Command (USACC) - CONUS as the 7th Signal Command resulted in a realignment of target areas of ICIP CANARY EFFORT (U), and increased coverage to the Telecommunications Directorate, the Alternate Joint Command Center (AJCC) the Alternate National Military Command Center (ANMCC), the Alternate National Command Center Support Directorate (ANMCCSD) and the East Coast Telecommunications Center (ECTC). Three sources and a Project Case Officer were used in this ICIP.
- c. By 1st Ind, 8 Apr 76, subject as above, CDR USAINTA advised that on 23 Feb 76, the ACSI gave verbal approval for termination of subject ICIP and recommended that subject ICIP be given formal termination approval.

2. Discussion:

- a. ICIP CANARY EFFORT (U) was chosen by the CDR, 902d MI Group to be replaced by an overt comprehensive all-source, multi-discipline security support concept as defined in 902d MI Group Pamphlet 381-3, subject: Direct Support Comprehensive Counterintelligence Program, to be published.
- b. The ICIP sources previously supporting the operation were terminated without prejudice during Feb 76. The Great Skills Project Case Officer was released from duties on 1 Mar 76.
- c. Supported commanders were briefed on CANARY EFFORT termination during Mar 76, and assured that this action in no way relieved the 902d MI Group of the responsibility for continued overt, all-source, multi-discipline support subsequent to 31 Mar 76.

a. USAINTA Letter, MIIA-SO-SA, subject: Change in ICIP CANARY EFFORT Support (U), dated 27 Jan 76, with 902d MI Group 1st Ind, MIIA-GPB-AC(SP), dated 29 Jan 76.

b. 902d MI Group Letter, MIIA-GPB-AC(SP), subject: Termination of ICIP Operation CANARY EFFORT (U), dated 3 March 1976.

2. ~~(U)~~ As outlined in the above references, copies of which have been provided under separate cover, I have chosen ICIP Operation CANARY EFFORT to be replaced by an overt comprehensive all-source, multi-discipline security support concept as defined in 902d MI Group Pamphlet 381-3, subject: Direct Support Comprehensive Counterintelligence Program, to be published. Toward this end, confidential ICIP sources previously supporting the operation were terminated without prejudice during the month of February 1976. The Great Skills Project Case Officer was released from duties in support of the operation on 1 March 1976.

3. ~~(U)~~ The termination of the ICIP Operation was coordinated by my staff with LTC Grimes, Commander, Special Operations Detachment, USAINTA, on 19 February 1976. The oral approval of the termination was gained from Brigadier General Thompson, Commander, USAINTA, and Major General Aaron, ACSI, DA, on 20 and 23 February 1976 respectively. Supported commanders were briefed on the termination of the operation during March 1976 in conjunction with the regularly scheduled quarterly ICIP briefings, and assured that this action in no way relieved the 902d MI Group of the responsibility for continuing overt, all-source, multi-discipline support subsequent to 31 March 1976.
