tunnel system. Thereafter, construction was started on the building complex, which was erected on top of the oversized foundation. At the early stage of the construction and on several other occasions, Source noticed that prisoners were performing construction work. From the beginning of the excavation work and up to DOI, he noticed the presence of armed MFS guards. At DOI, Source observed that the wooden fence was still in its place, the building complex unoccupied, and that the surrounding grounds had not been cultivated. It is rumored that upon completion part of the building complex will be occupied by the MFS district headquarters MAGDEBURG and that the remaining part will be utilized for apartments by MFS members and their families. The MFS district headquarters of MAGDEBURG, is presently on the S side of Rathenau Strasse, at (PC81357985).
