Mr. John Young
CRYPTOME
251 West 89th Street
Suite 6E
New York, New York 10024

Dear Mr. Young:

References:

- a. Your Freedom of Information Act (FOIA) request of March 29, 2001, for records concerning various dossiers. Your request was received in this office on April 18, 2001.
- b. Our letter of April 20, 2001, informing you that additional time was needed to review the records and we were unable to comply the 20-day statutory time limit in processing your request.

We have conducted checks of the automated Defense Clearance and Investigations Index and a search of the Investigative Records Repository (IRR) to determine the existence of Army intelligence investigative records responsive to your request. The records are enclosed for your use.

We have located the enclosed records pertaining to Cuban Mission to the United Nations, ZF011825W. We have completed a mandatory declassification review in accordance with Executive Order (EO) 12958. As a result of our review, information has been sanitized as it is currently and properly classified SECRET and CONFIDENTIAL according to Sections 1.3(a)(2), 1.3(a)(3) and 1.5(c) of EO 12958. This information is exempt from the public disclosure provisions of the FOIA pursuant to Title 5 U.S. Code 552(b)(1). Fees for processing this request are waived. A brief explanation of the applicable sections follows:

Section 1.3(a)(2) of EO 12958 provides that information shall be classified SECRET if its unauthorized disclosure reasonably could be expected to cause serious damage to the national security.

Section 1.3(a)(3) of EO 12958 provides that information shall be classified CONFIDENTIAL if its unauthorized disclosure reasonably could be expected to cause damage to the national security.

Section 1.5(c) of EO 12958 provides that information pertaining to intelligence activities, intelligence sources or methods, and cryptologic information shall be considered for classification protection.

Since the release of the information deleted from these records would result in an unwarranted invasion of the privacy right of the individuals concerned, this information is exempt from the public disclosure provisions of the FOIA pursuant to Title 5 U.S. Code 552 (b)(7)(C).

In addition, since the release of the information in the records would reveal the identity of confidential sources, it is exempt from public disclosure pursuant to Title 5 U.S. Code 552 (b)(7)(D) of the FOIA. The significant and legitimate governmental purpose to be served by withholding is that a viable and effective intelligence investigative capability is dependent upon protection of confidential sources.

The withholding of information by this office is a partial denial of your request. This denial is made on behalf of Brigadier General Keith B. Alexander, the Commanding General, U.S. Army Intelligence and Security Command, who is the Initial Denial Authority for Army intelligence investigative and security records under the FOIA. You may appeal this decision to the Secretary of the Army. If you wish to file an appeal, you should forward it to this office. Your appeal must be postmarked no later than 60 calendar days from the date of this letter. After the 60 day period, the case may be considered closed; however, such closure does not preclude you filing litigation in the courts.

We have been informed by the Federal Bureau of Investigation (FBI) that their review disclosed information that is exempt from public disclosure pursuant to Title 5 U. S. Code 5 (b)(1) of the FOIA. To aid you in identifying the FBI exempted information; we have bracketed it in black.

The withholding of the information by the FBI constitutes a partial denial of your request and you have the right to appeal this decision. If you decide to file an appeal, it should be forwarded to the following: Co-Director, Office of Information and Privacy, U.S. Department of Justice, Flag Building, Suite 570, Washington, DC 20530-0001 within 60 working days from the date of this letter. The envelope and the letter should be clearly marked "Freedom of Information Appeal" or Information Appeal". Please cite FBI FOI/PA 432,291 assigned to your request so that it may be easily identified.

We are continuing to review records regarding other titles you have requested and will respond to you by separate correspondence when our review is complete.

If you have any questions concerning this action, feel free to contact Mrs. Reilly at (301) 677-4742. Please refer to case #773F-01.

Sincerely,

A handwritten signature in black ink that reads "Russell A. Nichols". The signature is written in a cursive, slightly slanted style.
