Dear Mr. Young:

References:

a. Your Freedom of Information Act (FOIA) request of March 29, 2001, for records concerning various dossiers. Your request was received in this office May 7, 2001.

b. Our letter of April 20, 2001, informing you that additional time was needed to review the records and we were unable to comply with the 20-day statutory time limit in processing your request.

We have conducted checks of the automated Defense Clearance and Investigations Index and a search of the Investigative Records Repository to determine the existence of Army intelligence investigative records responsive to your request. As a result of these checks, we were able to locate records pertaining to Yugoslavia Intelligence Services Personalities, ZF001367W.

We have completed a mandatory declassification review in accordance with Executive Order 12958. As a result of this review it has been determined that the information contained in the records no longer warrants security classification protection and is partially releasable to you. The records are enclosed for your use. Fees for processing this request are waived.

Since the release of the information deleted from these records would result in an unwarranted invasion of the privacy rights of the individuals concerned, this information is exempt from the public disclosure provisions of the FOIA per Title 5 U.S. Code 552 (b)(6) and (b)(7)(C).

In addition, we have sanitized information that would reveal the identity of a confidential source. This information is exempt from public disclosure pursuant to Title 5 U.S. Code 552 (b)(7)(D) of the FOIA. The significant and legitimate governmental purpose to be served by withholding is that a viable and effective intelligence investigative capability is dependent upon protection of confidential sources.

The withholding of the information described above is a partial denial of your request. This denial is made on behalf of Major General Keith B. Alexander, the Commanding General, U.S. Army Intelligence and Security Command, who is the Initial Denial Authority for Army intelligence investigative and security records under the FOIA. You have the right to appeal this decision to the Secretary of the Army. If you wish to file an appeal, you should forward it to this office. Your appeal must be post marked no later than 60 calendar days from the date of this letter. Your appeal will then be processed to the appellate authority. After the 60-day period, the case may be considered closed; however, such closure does not preclude you from filing litigation in the courts.

Additionally, during the processing of your request, information was disclosed which is under the purview of another government agency. This office has no authority to release these records and they are being referred, along with your request, for appropriate action under the FOIA, and direct reply to you.

We are continuing to review records regarding other titles you have requested and will respond to you by separate correspondence when our review is completed.

If you have any questions concerning this action, please feel free to contact Mrs. Query at (301) 677-4060. Refer to case #872F-01.

Sincerely,

A handwritten signature in black ink that reads "Russell A. Nichols". The signature is written in a cursive, slightly slanted style.
