**Doha, 26 April 2016** - Referring to social media speculation in regard to an alleged data breach, it is QNB Group policy not to comment on reports circulated via social media. QNB would like to take this opportunity to assure all concerned that there is no financial impact on our clients or the Bank.

QNB Group places the highest priority on data security and deploying the strongest measures possible to ensure the integrity of our customers' information.

QNB is further investigating this matter in coordination with all concerned parties.

Thank you for your cooperation and understanding.

QNB Group's presence through its subsidiaries and associate companies extends to more than 27 countries across three continents providing a comprehensive range of advanced products and services. The total number of employees is more than 15,300 operating through more than 640 locations, with an ATM network of more than 1,400 machines.
