New York *Records not available online for this state.*

What you should know about a Marriage and Divorce Records Search

- **Records are not provided by every state and county.**

The map below shows which states provide marriage and divorce records online. We also search available civil court records, which may include records from additional states, for divorce judgments.

- **Your report includes the most comprehensive online results possible.**

We search not only for records that match the name and state that you specified, but for records with that name in every other state in which that person has had an address (according to available public records).

- Please reference the Intelius [Terms & Conditions](#) for additional restrictions regarding the usage of this data.
