

# **Rules for Conducting Cyber Operations Against State Actors (1)**

## **MICROMODULE**

Kevin Kuczynski - April 11, 2019

## Description

Includes discussion related to the Role of International Human Rights Law (IHRL), the Role of International Humanitarian Law (IHL), an overview of Armed Conflict and International Armed Conflict (IAC), and International Humanitarian Law (IHL), cyber operations, and IACs

## Outcomes

### **remember and understand**

Students will be able to explain the criteria for determining whether a particular conflict may be characterized as an “armed conflict.”

### **remember and understand**

Students will be able to explain when ihl will apply.

### **remember and understand**

Students will be able to explain the difference between the two types of armed conflict: “international armed conflict” and “non-international armed conflict,” and why the difference between the two matters.

### **remember and understand**

Students will be able to define international human rights law (ihrl) and international humanitarian law (ihl), and distinguish between the two.

### **remember and understand**

Students will be able to describe the basic structure of the geneva conventions, the additional protocols thereto, and the relation of the additional protocols to customary international law.
