To Corpoelec:

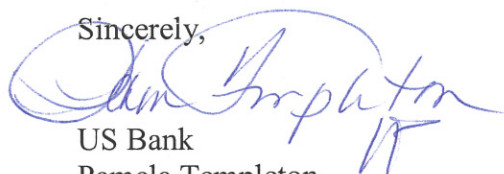

This is to act as verification that Energy Parts Solutions has been a valued customer of US Bank since August, 2007. Energy Parts Solutions currently has an open demand deposit account. This account is considered satisfactory and handled as agreed.

Energy Parts Solutions payments should be wired to the following account:

Energy Parts Solutions
US Bank
3615 W Broadway Blvd
Sedalia, MO 65301
Routing Number: 081000210
Account Number: 152307883347
SWIFT Code is: USBKUS44IMT (that is an 'i' and not a 'l')

If I can be of further service, please do not hesitate to call me at 1-660-827-7651.

Sincerely,

US Bank
Pamela Templeton
Vice President
