Guys,

Today I received from ARG Precision an email that informs we have the best price option in this bid. But, we need to prove two things in order to get the final approval form PREPA.

1.- We need references of our blade's supplier. Jim we already talked and know you're already working on this.

2.- We need to provide all the experience list that we can supply on the blades installation. Marcial / Sherri can you help me with this last information?

Sorry that I'm not there to help you guys directly but, I will appreciate any information that you can supply. I just arrive to Vzla please let me know how can I help from this end.

Thanks in advance

Omar Petit

Saludos Omar,

Tengo dos noticias: una Buena y una mala:

La buena es que fuimos el mejor precio en la subasta de los "blades". La mala es que Prepa no los conoce a ustedes y necesitan evaluarlos bien. Por favor bríndame información de a quien le estarán comprando los blades y mas información de la experiencia de ustedes en las instalación de los hardwares o la que entiendas necesaria.

Atentamente,

*Lisandra Berríos*
