These exercises are very clever and of great effect. The first two exercises are to be played *legato*, six times in succession, each time faster: Lento-Andante-Moderato-Allegretto-Allegro-Presto; then repeat in staccato.

The second exercise offers a splendid opportunity to acquire mastery over the simultaneous playing of two different rhythms.

The third exercise perfects the execution, with one hand alone, of staccato notes, while the same hand holds, and keeps down, a key. (A.J.)

Diese Übungen sind äußerst sinnreich und von großem Effekt. Die beiden ersten spiele man zuerst legato und zwar sechsmal in immer schnellerem Tempo, wie: Lento-Andante-Moderato-Allegretto-Allegro-Presto; nachher übe man sie auf obige Art staccato.

Die zweite Übung ist ein ausgezeichnetes Studium zur Erlangung der Meisterschaft in der gleichzeitigen Ausführung zweier verschiedener Rhythmen.

Die dritte dient zur Beherrschung des gleichzeitigen Spiels von staccato und gehaltenen Noten mit einer Hand. (A.J.)

Ces exercices sont très ingénieux et d'un grand secours. Les deux premiers exercices doivent être étudiés d'abord *leggato*, six fois de suite et en augmentant chaque fois la vitesse: Lento-Andante-Moderato-Allegretto-Allegro-Presto; ensuite on les étudiera de la même façon, *staccato*.

Le second exercice offre une excellente occasion d'obtenir la maîtrise dans le jeu simultané de deux rythmes différents.

Le troisième exercice permet d'affirmer l'exécution, avec une main seule, de notes jouées *staccato* pendant que la même main soutient une note, c'est-à-dire: garde, enfoncée, une touche.

Estos ejercicios son sumamente ingeniosos y de excelente efecto. Los dos primeros ejercicios se estudiarán primeramente *leggato*, seis veces de seguida y aumentando cada vez la velocidad: Lento Andante-Moderato-Allegro Presto; luego se estudiarán, de la misma manera, *staccato*.

El segundo ejercicio ofrece una excelente ocasión de obtener dominio en la ejecución simultánea de dos ritmos diferentes.

El tercer ejercicio desarrolla y asienta la ejecución, con una mano sola, de notas tocadas *staccato*, mientras la misma mano sostiene una nota, es decir guarda hundida una tecla.
