TEST NEWS

Who's the only one who can bowl Bradman out? His wife.
Tate is coming. No, he isn't. Yes, he is. Why hesi-Tate?
What's the last thing in cricket? Tea.
Is it right for Bradman to write?
Who are the most bored at a Test? The Board.
Why do they call it The Stand? Because it's the only place
you're not supposed to.

Extra Chorus

Keep your tail up, Kangaroo,
Keep it up in the air, and you'll come smiling
through;
Keep your tail up, Kangaroo,
Keep it up in the way you always do.
"It's a cert, I'll bet my shirt," yelled a fellow
from Hay;
"Right," said Bill, "if you only will
PERSIL it right away."
Oh, keep your tail up, Kangaroo.
Keep it up in the air, and you'll come smiling
through.
