ALTEZZA REVERENDISSIMA

Sono i Gran Prencipi immagini di quel Sommo Signore, che col Suo Sovrano Volere dispose il tutto in numero, peso, e misura. Chi viene à presentar loro alcuna cosa, pensi che non sia del tutto Sproporzionata alla mano, che dee riceverla. Su queste io mi sono avanzato à portare à piedi di V. A. R. questi umilissimi fogli, i quali sono il primo parto del mio debile, e scarso talento, non perche io istimi, che possa uscir da me alcuna cosa, la quale si meriti l'alto onore del Suo benignissimo gradimento, mà perche non vi hà cosa, che più rappresenti il modo dell' operare di quel Grande Iddio, di cui essa è un Immagine così viva, quanto il numero, e l'armonia. Pittagora dicea di sentire ne moti delle Sfere un perfetto concerto. Chi mirerà le azioni dell' A. V. R. vi ravviserà tutto l'armonico, che deriva da un esattissimo accordo col retto, e col vero. Si degni l'A. V. R. d'inchinare l'animo Suo ad accettare coll' usata Clemenza questo attestato della mia umilissima venerazione, mentre nel bacio della Sacra Porpora profondamente m' inchino.

DI V. A. R.
