Instrument Driver Internet Access

If you have Internet access, you can download the latest instrument driver files from the National Instruments World Wide Web (WWW) site or File Transfer Protocol (FTP) site.

WWW Access

Connect to www.natinst.com/idnet. The Instrument Driver Network sorts instrument drivers by vendor, model, and interface. When you find the instrument driver you need, follow the link to the page that describes it and download it.

FTP Access

Log on to the host [ftp.natinst.com](ftp://ftp.natinst.com). Use `anonymous` as the username and your e-mail address as the password. The instrument drivers are located in `/support/labwindows/cvi/instruments/`.
