

NOTE TO LABVIEW USERS

IVI Driver Library Requires LabVIEW 5.1

The IVI Driver Library (777855-03) requires LabVIEW 5.1. If you are a LabVIEW user, and you have not upgraded to LabVIEW 5.1, you are entitled to a free upgrade.

You should have been prompted to order the LabVIEW 5.1 upgrade at the time you purchased the IVI Driver Library. If you have not ordered or received your upgrade, contact your local National Instruments representative.

You must have a copy of your IVI Driver Library invoice or the Proof-of-Ownership card to receive your free LabVIEW 5.1 upgrade.
