

Sybase Adaptive Server® Enterprise

System Tables Diagram

Sybase Adaptive Server Enterprise System Tables Diagram, an entity relationship diagram for Sybase Adaptive Server Enterprise 15.0.2

SYBASE
MLG part number DC70204-01-1502-01

Key

- Configuration**
- Users, Roles & Permissions**
- Remote Servers**
- Storage**
- Time Ranges & Limits**
- Messages**
- Objects**
- Integrity Relationships**
- Processes & Locks, Virtual Catalogs**
- Language & Character Sets**
- Miscellaneous**

The lines represent key relationships and potentially useful joins. The column names for the relationships appear above or to the left of the lines, and the type of relationship (1:1, 1:N, N:N) appears below or to the right of the lines. A comma separating column names means that the relationship requires both columns.

Asterisks (*) by table names denote all-pages-locked (APL) tables. The rest are data-only-locked (DOL) tables.
