

## PRODUCT INFORMATION

### MINOX DC 5222

#### DIGITAL CAMERA WITH 2.5" MONITOR IN A MODERN SLIM-LINE BODY

The new DC 5222 sees a Minox digital camera once again incorporating modern technology and innovative features in a handily compact design. The prime features of a 5.2 million pixel CCD chip, 3x optical zoom and unusually large 2.5" TFT color monitor all housed in a smart aluminum body measuring just 88.5mm x 24mm x 54.5mm give this quality digital camera not only a smart look but produces the results to match.

The camera's 5.2MP CCD sensor, multicoated autofocus Minotar lens (equivalent to 32-96 mm on a 35 mm camera) with Macro feature and a 3x optical zoom offers the creative user plenty of opportunities for taking great photos in a multitude of situations. The oversized 2.5" TFT color monitor offers easy viewing of the image before and immediately after the shot, and thanks to its quality can also be easily viewed in brightly lit areas. Images can be

stored on SD cards of up to 512MB capacity. A 32MB card is included with the camera to get you started. The automatic white balance mode ensures correct exposure and true colours even in difficult light conditions, while the six user-selectable settings include a fully manual mode and five preset modes for variable indoor and outdoor lighting conditions. The four flash modes, including red-eye reduction and fill-in flash, provide ample scope for taking images in many difficult lighting conditions.

#### TECHNICAL DATA

Image Sensor:	1/2.5" 5.2 Mega Pixel CCD Sensor
Resolution:	2,560 x 1,920 pixels / 2,048 x 1,536 pixels / 1,280 x 960 pixels / 640 x 480 (still) 640 x 480 pixels / 320 x 240 pixels (Video-Clip)
Colour:	24-bit RGB
Lens:	Autofocus MINOTAR lens
Aperture:	f/2.8 ~ f/4.8
Focusing range:	0.35 m to infinity (Macro Tele) / 0.06 m to infinity (Macro Wide Angle) 0.50 m to infinity (Wide Angle, Tele)
Exposure:	Auto / Portrait / Landscape
Exposure compensation:	-2.0 ~ +2.0 EV (1/3 EV steps)
Focal length:	f/5.4 mm ~ 16.2 mm (corresponds to 32 - 96 mm with 35 mm format)
Shutter speed:	1/2 ~ 1/1000 sec
Zoom:	3x optical Zoom; 4x digital Zoom (capture mode); 2x and 4x Zoom (playback mode)
White Balance:	Auto, Manual, Pre-selection: Daylight, Cloudy, Fluorescent 1, Fluorescent 2, Incandescent
LCD:	2.5" LTPS-TFT colour-LCD
Flash:	integrated (Flash range 0.5 m ~ 2.7 m)
Flash program:	Auto, Red-Eye-Reduction, Off, Fill-in
ISO-Sensitivity:	50/100/200; Auto: ISO 50-200
Voice record:	Voice recordings can be added to every photo
Self-Timer:	10 sec, 2 sec, 10+2 sec
File format:	JPEG (EXIF 2.2), DCF, DPOF, AVI
Image quality:	Fine / Standard / Economy
Memory:	external memory with SD card up to 512 MB.
Language:	English, German, French, Italian, Spanish, Portuguese, Chinese (Trad. and Simpl.)
Software:	MGI Photo Suite III SE, Photo Vista
System requirements:	Windows 98/98SE/2000/ME/XP; Mac OS 8.6 or later
Connectors:	DC-port, USB-1.1-port, Audio/Video-output (NTSC or PAL)
Power:	rechargeable Li-Ion Battery, AC-DC-Adapter (5 V)
Dimensions:	88.5 x 24 x 54.5 mm / 3.48 x 0.94 x 2.14 inch
Weight:	approx. 130 g / 4.58 oz
Accessories Included:	Rechargeable Lithium-Ion Battery, soft pouch, wrist cord, USB-cable, video-cable, USB power adapter, CD-ROM, manual, 32MB SD card.
Order number	60624

A startup time of less than one second, minimal shutter lag and rapid image sequence when in continuous shooting mode allow spontaneous snapshots whatever the situation. The MINOX DC 5222 can also record and store medium or low-resolution video clips of up to 30 seconds duration as well as giving the user the ability to attach voice-memos to any still images taken.

The USB interface of the DC 5222 allows for quick and easy downloading of the images to a computer directly from the camera. Using the supplied software, the photos can be touched up on the PC if needed and then printed or e-mailed directly to others.

Accessories included with the camera are a rechargeable Lithium-Ion Battery, soft pouch, wrist cord, USB-cable, TV-cable, USB power supply adapter, CD-ROM, manual and 32MB SD card.
